THE TRIALS IN BARBADOES. The West India mail steamer Para broughtparticulars of the trial at Barbadoes of the Special Commission was opened on the 12th of otober and lasted till the 21st: Mr. Lustington day afternoon. The following telegrams are his command thousands instead of hundreds of taken from the Stratts Times Extra

mail of the 24th ultime, arrived here venter, court disposed of 131 macs, in which there were 450 prisoners. In his charge to the grand jury, Mr. Phillips regretted that the cases had not been summarily dealt with. The prisoners land he said, already been in prison for a period far exceeding that to which they would have been liable it convicted of the minor offence of steal. ing poultry and provisions, and had already been sufficiently praished. Two bundred and nivetysix prinopers charged with petty largeny were disbharged, and forty-five others were liberated bu entering into their own recognizances. Therewere, it is stated, great discrepancies between the depositions taken before the magistrates and the evidence given before the Commission. more confident feeling provuils concorning The rioting charged against several of the prisoners was of a most trivial character. and in discharging a number of them Mr. Phillips and the affair in which they were concerned was nothing more than was desoribed by the negro word "bobbery." Fire charged with attempting to murder Colonel Clements, Inspector-General of Police, were sentonced to ponal servitude. The general result of the trials was that 296 prisoners were discharged, forty-five were liberated on their own recognizances, fifteen failed to surrender, seventeen were sentenced to penal servitude, birty to imprisonment with hard labour, and in weive cases the grand jury threw out the bills. The bills against whites who had fired on blacks wereall thrown out, but the judge admonished he accused persons with some severity. Trials f rioters had also taken place-tu-loused, where

Mr. and sold subsequently for £4 000, on which Wilson was loudly cheared on leaving the Court, however, there is a mortgage of £14,000, whilet another house in the same street has been assigned to the use of General Ferny d'Isly. The total gross value of the Paris property, therefore, may be reckoned at least £213,000, on which there are mortgages to the extent of £48,000. But in the province also the late

in France. To the former belong his houses at Vichy, Marseilles, Biarritz, and Bayonne. o the latter the land at Boukhardara (Algier). and the Solferino property in the Landes. where much profitable result has been obtained from the bold idea of cultivating these wastes for their must be added the demain of a Jonehore, not far from Paris-valuable both as a future building speculation and a present country #Bods. The whole of these catates are rained at not less than £320,000. One alone of them, that in the Landes, is mortgaged, and ouly for the small sum of £40,000. In addition to this avowed property-and it is asserted that the Empress holds-under numerous prote-nome a large amount of landed and house property in different parts of France-the Bonaparte family possesses large estates in Spain, Italy-in Civita-Nova and Rome, in Switzerland, Corsica, and England. As for the personal property, no just idea ona be arrived at of its amount, some estimates reaching nearly three millions sterling, and some falling as low as one million. In any case, there is enough to prove that the late Emperor Napoleon, however free-handed bo may have shown himself in distributing money, was not altogether forgetful of the possible force destiny, and took occasion to incure to himself as light a fall as possible by providing a beautiful supply of well-stuffed cushions."

ACCEPTANCE OF MR. GOSCHEN'S FINANCIAL PLAN IN EGYPT.

The deliberations of the Egyptian Government are at length concluded, and the terms proposed by Mr. Gosoben have been accepted. The collectors of each Province are to to apwithout danger of running aground. The river in the matter was to give her adhesion to the pointed by the Controller of Revenue. It is only on such terms that Mr. Coschen can look with any confidence for the results he wants. Mr. Gosohen would by separating the Daire iabilities from those of the public lobt, at once documents in the Prussian archives, which he Ireduce the national charge for the debt to Last night the Hankow A.D.O. treated us to | bad been allowed to consult, materials intended | something over £4,000,000, bearing interest at the rate of 7 per cent. The bouldholders, how ever, would only receive 6 per cent. the difference going to a sinking fund. The Moukabalah revenue arising from the composition of the Land Tax is to be charged with the redemption of the short loans at the rate of 80 per cent. Egypt will thus get rid of a sum of four one or two of our leading actors of last season. Poland through a nominee on the Rhine, millions of debt in about four years; and for through a strong Russian party in the Diet, and I the remaining six years during which the through a Russian army at Warsaw. If it was Moukabelan arrangement will continue to absolutely necessary from a European point of produce some revenue, such income will view to keep back Russia, Prassia, by planning appropriated, along with the -1 per cent, of debt charge retained from the bondholders, to the redemption of the general debt. By this plan when the Moukabulah revenue causes in 886 the debt will have been reduced. Mr. Goschen calculates, to 35 millions, and it will possession of the rich commercial territory then he possible to resume payment of the rates of interest originally stipulated for on the various loans now merged in the general debt. The floating debt, which increased so largely since the figures were given to Mr. Cave, will at a bonns, not of 25 per cent as proposed in May, but of 10 per cent., be met by the issue of a new stock of £15,000,000, interest on which at 5 per cent, will be accured on the rulway roceipts. to light by Mr. de Smith, to oast it upon Prussia; The danger that the floating debt may have increased since May last with something like the rapidity of its advance in the spring is expressly likely to be inspected will be so liberally dered as the "rounion" of West Prussia to the provided against. No claim for any debt bubsupplied with a document giving even so Prussian State) the occasion of a grand military | sequent to May is to be recognised. The revenue much aid and comfort to the outsider as the and political celebration, it might lines been at present accraing from the Land Tax com-Peking version of the Chefoo diplomatic assumed that she acepted the leading part position has been reported differently by each triumph does. Besides this guarantee for our assigned to her in connection with the destrue. authority, by Mr. Care, Mr. Rivers Wilson safety we are further assured of the protecting bion of Poland, and was proud of having played and the Khedive, but in this scheme it is taken definitely at £1,600,000 for the current year. The general result of the plan appears to be to reduce the charge for debt to less than £5,000,000, and this, with a revenue of at least over £9,000,000, would leave the requisite £4,000,000 for State requirements. Mr. Goschen supplied with watch boxes of a very un-English, originator of the partition was Austria. To appears to have taken every pains, by careful noury and cautions stipulation, to insure ultimate success. This, however, depends not only on the good faith with which the Khedive set on four legs say 18 mohes from the ground, opinion has been right from the beginning in and his Ministers have accepted the scheme, but upon their capacity to act up to such good intentions. However well disposed the Khodive may be to give the new officers authority and control, it may be impossible for them either to tenobithe Egyptian officials what they want or readily to replace these functionaries when ound intractable. Neither can we conclude that in making this arrangement M. Gosoben as assumed personally anything like the reiponsibility which our Government would have senumed had the auggestions of Mr. Cave been formally adopted by the Khedive with our co-
